

Livingston Parish Public Schools Pre-K Application Information 2022-2023

Families interested in applying for Pre-K will be able to apply and submit all documents online through a computer, tablet or phone (Apple or Android). We will no longer be accepting paper applications. The application website is: applytolppsearlychildhood.com. Currently, only the 2021-2022 application is open. The 2022-2023 application will only be open during the following rounds. Please verify that you are applying for the 2022-2023 school year when you begin the application.

Round 1:

February 1, 2022 – May 1, 2022

Round 2:

May 16, 2022 – ongoing

Parents may apply during any of the two rounds. Seats in our public-school Pre-K classes will be filled by placing all eligible applications in a lottery after each round. They are not filled first come-first served. To be eligible, the child must be 4 years old on or before September 30, 2022 and the gross monthly income for the entire household must fall within the current federal income limits. These will be posted on the early childhood website as soon as they are released.

Documents needed to apply: child's birth certificate and social security card, current immunization record, parent/guardian driver's license, 4 proofs of residency (utility bills in guardian's name), and 2 current and consecutive proofs of income for every parent/caregiver in the household.
